## PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO  
PRIVATE BILLS.

## RULE 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the

same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring  $10\frac{3}{4}$  inches by  $7\frac{1}{2}$  inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-  
GENERAL IN COUNCIL.

HIS EXCELLENCY the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to amend the regulations governing the granting of yearly licences and permits to cut timber on Dominion lands in Manitoba, Saskatchewan, Alberta, within twenty miles on either side of the Canadian Pacific Railway in the Province of British Columbia, and the tract of three and a half million acres controlled by the Government of the Dominion in the Peace River District, in the Province of British Columbia, established by Order in Council of the 12th April, 1921, and subsequent Orders in Council, and the same are hereby amended as follows:—

The dues chargeable on cordwood cut under licence or permit from fire-killed or dry timber, on and after the 1st October, 1923, are reduced to 25 cents per cord.

Section 42 is amended by providing that settlers and persons living in cities, towns, and villages may obtain permits to cut up to 100 cords of cordwood and lath-bolts for sale in each permit year, subject to dues at \$1 per cord on the lath-bolts and the regular rate of dues on the cordwood; and that permits may be granted to owners and operators of mines to cut timber for the erection of buildings actually required in the operation of their claims, and for such quantity of cordwood as is actually required for fuel in operating the mines, subject to ordinary permit dues.

The fifth paragraph of section 47, which pertains to the granting of permits without competition to cut fire-killed or dry timber, is rescinded, and the following paragraph is substituted:—

"Permits may be granted at public auction by posting notices in conspicuous places in the vicinity of the berth affected for a minimum period of ten days, to the person offering the highest cash bonus, to cut timber on tracts of land not exceeding nine square miles in area which have been run over by fire, and where not less than fifty per cent of the timber has been fire-killed or will die as a direct result of the fire, subject to dues at one-half the regular permits rates, except cordwood, on which 25 cents per cord shall be charged. The purchaser shall be required to make a cash deposit, which shall vary according to the size of the berth and which shall be held until the berth is cancelled, as a guarantee that he shall conduct operations in a manner satisfactory to the Crown Timber Agent for the district, and shall remove all merchantable timber from the berth. If operations are conducted satisfactorily during the first year, a renewal permit may be granted for a second year, but the permittee shall not have any claim to a further renewal."

The persons qualified to vote for Mayor and Aldermen at such first election shall be:—

(a.) Such persons, male or female, as are British subjects of the full age of twenty-one years who are owners, as defined in section 266 of the "Municipal Act," of land or land and improvements in the municipality of the assessed value of not less than one hundred dollars (\$100), and such corporations as are the owners, as defined by section 266 of the "Municipal Act," of land or land and improvements in the municipality of the assessed value, on the last assessment roll of the Corporation of the City of Trail, of not less than one hundred dollars (\$100): Provided that a corporation shall vote only by its duly authorized agent, whose authority shall be filed with the Returning Officer of the municipality, and who shall be a resident of the Province and a British subject of the full age of twenty-one years: Provided that if any corporation has filed such an authority as above mentioned with the Clerk of the Corporation of the City of Trail on or previous to the 30th day of November, 1923, it shall be considered as having been filed with the Returning Officer of the municipality in accordance with the above proviso.

(b.) Any male or female of the age aforesaid, and any corporation carrying on business in the municipality and being the holder of a subsisting trade licence from the municipality, the annual fee for which is not less than five dollars: Provided that in the case of a partnership the annual fee for a trade licence is not less than five dollars for each partner who is a British subject and otherwise qualified to vote.

(c.) Any male or female of the age aforesaid who is a householder within the municipality, a householder being defined as in the "Municipal Elections Act": Provided, however, that the name of the householder or of the holder of a trade licence shall not be entered on the voters' list unless such holder or householder shall have during the month of October, 1923, delivered or caused to be delivered to the Municipal Clerk of the Corporation of the City of Trail a statutory declaration made and subscribed in accordance with the "Municipal Elections Act."

Until the municipality is divided into wards, the Mayor and Aldermen shall be elected by those qualified to vote in the whole municipality.

The Mayor and Aldermen elected at such first election shall hold office until his successor, or a majority of their successors, have been sworn in, unless he or they shall die or become disqualified.

It shall be the duty of the Returning Officer to enter in a book, in alphabetical order, the names, addresses, and occupations of all persons qualified to vote as aforesaid, and such list shall be the list of the electors for such elections.

Such list and declarations shall be open to inspection by any persons within lawful hours.

Any person may complain that his name is improperly omitted therefrom, and may apply to a Police Magistrate to have his name inserted

thereon or to have any names improperly inserted thereon struck off the said list. In such latter case reasonable notice, to be determined by the Police Magistrate applied to, shall be given to the person whose name is to be struck off and to the Returning Officer. The Police Magistrate shall hear and dispose of all such applications in a summary way, and the Returning Officer shall amend the list in accordance with the decision of the Police Magistrate.

At least six days' notice of the time and place of nomination and of holding of the poll (if any) shall be given by the said Returning Officer; such notice to be posted during that period in the manner provided by section 36 of the "Municipal Elections Act."

At the close of the time for nominating the candidates the Returning Officer shall deliver to every candidate applying for the same a duly certified list of the names of the several candidates who shall have been nominated and any votes given at the election for any other candidate than those so nominated shall be null and void.

If, at the expiration of the time appointed for the election as aforesaid, no more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall forthwith declare the candidates who may stand nominated to be elected, and return their names to the Registrar of the Supreme Court.

No speeches or interruption to the proceedings of nominating candidates at the hustings shall be permitted by the Returning Officer between the reading of the notice of election and the closing of the proceedings on nomination day by the Returning Officer.

If, at the expiration of such time, more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall declare the names of the candidates, and publicly proclaim the day previously stated in his proclamation, and the place at which the poll shall be so opened in the municipality, for the purpose of taking the votes of the electors according to law; and shall then adjourn the election, and shall take a poll by ballot, and shall cause to be posted up notices of his having granted such poll, indicating the names, residences, and occupations of the candidates so nominated, in the order in which they shall be printed on the ballot-papers, which notices shall, as soon as possible after the nomination, be placarded in all the places where the proclamation for the election was posted up.

If, after the adjournment of an election by the Returning Officer for the purpose of taking a poll, one of the candidates nominated shall die before the poll has commenced, the Returning Officer shall, upon being satisfied of the fact of such death, countermand notice of the poll, and all the proceedings with reference to the election shall be commenced afresh: Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermand of the poll.

In case of a poll being held, the candidates (duly qualified) who shall obtain the greatest number of votes shall be Mayor and Aldermen respectively.

Every person qualified to vote shall have seven votes, being one for Mayor and one for each Alderman to be elected, but he may vote for any less number than seven: Provided always that he shall not cast more than one vote in favour of any one candidate, or vote on more than one occasion. And in the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be declared elected, the Returning Officer shall, by casting vote or votes, as the case may be, decide which of the candidates for whom the votes may

be equal shall be elected: Provided that the said Returning Officer shall not vote except in case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the said municipality.

The opening of the ballot-boxes and counting the votes shall be in the presence of the candidates, or their agents (if any), if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall deliver the ballot papers and boxes to the Clerk.

Every person who shall have presented himself for nomination, and who shall have been elected a Mayor or Alderman, must serve for the term for which he has been elected, unless in the case of sickness, or cause satisfactory to the Council, or in default pay a sum of fifty dollars (\$50) towards the municipal revenue; such sum, with costs, shall be recoverable by the Clerk of the municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Mayor or Aldermen shall be filled as provided by the "Municipal Elections Act."

The first meeting of the Council shall be held on the second Thursday following the date of nomination at the place and hour to be set and appointed by the Mayor.

All costs and expenses incurred in connection with the preparation and issue of these Letters Patent shall be paid by the municipality.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Our said Province to be hereunto affixed.

WITNESS, the Honourable WALTER CAMERON NICHOL, Lieutenant-Governor of Our said Province of British Columbia in Our City of Victoria, in Our said Province, this thirteenth day of November, one thousand nine hundred and twenty-three, and in the fourteenth year of Our Reign.
